DOMINION CONVENTION PROPHECIES FROM REV. MOYO AKIN-OJO DAY 2

SESSION 2

MINISTRY EXPLOSION

- This year the Lord says The Standing Church has reached the tipping point. At the tipping point, there are explosions; things start happening faster than we can conjure them up. This year, we are there, says the Spirit of God.
- God will begin to do sudden and terrible things.
- In numbers, in influence, in resources, watch out, in miracles, watch out, because we have reached the tipping point. We are at the point where things just start happening on their own and people are recognising the grace of God upon us.
- This year 2023, we have hit the tipping point.
- Things are set up in the realm of the spirit like a stage for an orchestra. Angels are setting up over our heads like an orchestra. Encounters are about to hit us in this season.
- God is enlarging our coast. The angel with the measuring line is increasing the borders of our city.
- Many will ask our man of God saying, 'Sir, can you give us tips, the secrets how from 300 you just became 3000?'. It is the angel, the survey team that increased the beacon. That measuring line is here, and people's tabernacles are being increased.

SECTORAL DOMINANCE

- Like Arioch, we have kept ourselves apart as a eunuch waiting for divine purpose, now God is putting the face of a lion on us. God is making us fearsome in our sectors. The Lord is bringing us forth with great strength. He is cladding us with the face, the visage of a lion. Those that mocked us, now they bow at our feet. Those that laughed at us, now they shiver before us. Those that respected us, now fear us. The Lord has given us the visage of a lion. The lion has roared who can but fear. Now as we are roaring in that sector, roaring in that community, roaring, vibes are sent through the sectors, sent through the city, says the Spirit of God.
- God is doing a quick work in our midst.
- This year, in various sectors, God is making us gatekeepers. Anyone that wants to do a transaction in that sector is coming through us.
- From early this year, God will start giving us new names. We must hear the prophetic sound of that name because it will show us that we have swallowed up the city. In different cities,

they will start giving us names. God is putting the vibes of what we are doing in the mouths of people.

- Like an eagle, God is carrying us, and dropping us in the palace of the city.

THE OIL OF JOY

- The Lord is sucking the days of sorrow out of us. The Lord is bringing garments of joy and praise. The angel of the Lord is pouring the oil of joy upon us.

MOUNTING UP

- God is bringing us to mountains of possibilities. When we look at the mountain, it looks too big and formidable to climb, but the zeal of the Lord shall perform this. Every time we want to give up, in prayer, we will feel that fire rise again, to energize us.
- We are climbing mountains. People are seeing us running up the mountain and they are asking how. It is by the power of God. The zeal of the Lord of Hosts shall perform this.
- Many people will only see us on top of the mountain, but these words will throw us, drive us to the top of that mountain. Mountains of influence. Mountains of power. We are going up. We are mounting up. We are mounting up. We are mounting up. For they that wait upon the Lord shall renew their strength. They shall mount up with wings as eagles. They shall run and not be weary. They shall walk and they shall not faint (Isaiah 40:31).

WORKINGS OF MIRACLES

- A blind eye is healed. Somebody blind in one eye is healed. Deaf ears open and hear sounds.
- Crippling paralysis is healed. God is restoring.

DIVINE REVELATION, WISDOM AND INSIGHT

- The Spirit of seeing and knowing is coming upon us and suddenly our eyes are open, and light has come. Our eyes will be open to see things, not in a fiery spooky way, but the spirit of wisdom.
- Revelations will be deeper, and perceptions will be stronger and more precise.

INFLUENCE, ENLARGEMENT AND TERRITORIAL ALLOCATION

- God is apportioning cities. God is saying take Ibadan, take Nigeria, take Abeokuta, take U.S., take U.K. He is giving cities to people. Take the agricultural sector. Take the ICT sector. Take the fashion industry. Take the music industry. Take Nollywood. He is giving cities to people.
- God has given us the city. God is apportioning cities to us. May our hearts be enlarged to take these cities.
- God is making us, as individuals, a mighty city. God is making us a strong city. God is making a city out of us.
- They won't be able to call what we do; they will name it after us.
- This year, people will dream of us. People will dream of our church.
- Early this year, we will start hearing the sounds from various cities that God has apportioned to us. Sounds of victory; sounds of takeover; sounds of grace; sounds of influence.
- For other cities which will be stubborn, the spirit of might is coming upon us, and we will uproot the gates, and break them open.

VICTORY OVER RESOURCES! DANGEROUS WEALTH

- This year, we will trample upon money like sand.
- 'I saw a desert and people walking in the desert and as they were walking, what looked like sand became jewel, precious stones, riches under them'. This year, we will literally see the uselessness of money.
- The angel of the basket is running into our accounts, running into our families, running into our systems, running into our wallets, touching our bags, touching our purses.
- The angel of the basket is hugging us. The grip of that angel makes it such that even if we were running away from money, money will be pursuing us.
- Blessing has hit us. The hand of God's blessing has hit us.
- The favour of God will put in our accounts what all our running around cannot do. That favour has been invoked upon us.
- "The smell of my son is like the smell of the field which the Lord God has blessed, Therefore..." (Genesis 27:27-28). The 'therefore' of the Spirit has been invoked upon us. The Lord give us the dew of heaven, the fatness of the earth and plenty of corn and wine. Nations are bowing to us. Our mother's brethren kneel before us. We are Lord over our brethren. Cursed is everyone that curses us. Blessed be those that bless us.

- God is giving us flashes of prosperity. We will see visions that will enlarge our hearts. What we have been calling prosperity, heaven is calling peanut. From now, light is shining. The angel of seeing and knowing runs in our midst and gives us visions enlarging our heart.

THE WIND OF REMEMBRANCE AND FAVOUR WITH POTENTATES

- They are looking for us. They are looking for us. Kings are calling for us. God is loosening the loins of kings to us, to open unto us the two-leaved gates and the gates shall not be shut.
- God is loosening the loins of kings for us, and God is doing a quick work. He is cutting it short in righteousness.
- God is saying to the earth, 'deliver up'. The system is belching out our blessings. It is belching out that contract for our parents, for our loved ones. This year shall be a year of celebration and gathering for us.
- Mark it in the days coming, how we will be receiving calls from people. Even things we have forgotten, the earth, the system is belching it out for us.
- Wells that are capped have been uncapped. Relationships, people we knew before, suddenly they have remembered us, not to ask for urgent 2k. They are remembering us because they want to bless us, because the door has opened, because the big one has come.
- The angel of the basket is whispering in the ears of potentates, are whispering on our behalf. This year, they are speaking on our behalf. Their voice is loud on our behalf. The king does not need to be spiritual, they will hear it clearly in the name of Jesus.

GREATNESS AND OPEN DOORS

- This year, God is setting our feet in great places. Enter. Enter. Enter. God is setting our feet in great places.
- God is sending us into sectors and there are people opening those doors for us. Ephrathah!
- May our eyes see the house that is open to us. May our legs carry us to that house. May that house open to us. God is giving us sure footing in the city. By this, “I am multiplying their income”, says God!
- “I have made your feet beautiful”, saith God. And as we step into places, doors will open to us. For our feet have been made beautiful. As we enter places, they will bear the character of our feet. Dry places will become wet. Ugly places will become beautiful. Abandoned places will become rebuilt, says the spirit of the Lord.

- Fire on our feet! God is making our feet beautiful.
- A golden bouquet of flowers- God is exalting our horns. He is bringing us to places where they will treat us like royalty. A golden vase with a bouquet of flowers, but the bouquet of flowers are plastic but supernaturally, God is making them live flowers and they are blossoming.
- Out of us shall proceed thanksgiving, and the voice of them that make merry. God is multiplying us; we are not few. He is also glorifying us; we are not small (Jeremiah 30:19).
- For this year, a little one will become a thousand, and a small one, a strong nation (Isaiah 60:22). The weakest amongst us will be like David, for by our God, we are running through a troop. By our God we are leaping over a wall (Psalm 18:29). The places that they say are shut to us, the gates are open unto us now.
- In a place where we have been forsaken, so that no man went through us, God is making us an eternal excellency, the joy of many generations (Isaiah 60:15).
- People that gossiped us, are casting their clothes before us. We are experiencing a triumphal entry into our place of shame. For our shame, we shall have double (Isaiah 61:7).
- Doors are opening; men are bowing. Doors of favour are open unto us.
- God is bringing us into exclusive lists. They are saying, “In the whole of Africa, only 5 people were chosen”. Our names are there.

HELP

- Help is rising for us from Zion's mount. The Lord hear us in the day of trouble. The name of the God of Jacob defends us. He is sending us help from Zion’s mount (Psalm 20:1-2). Everywhere we turn, help is arising. Our story this year is that we have been marvellously helped - the help that we will tell the person, “Sir, stop don't do again, is it not too much for us?' But they are happy, carrying what is ours on their head. We are pitying them, but they are saying, “No, we will carry it to conclusion”. It is help! God has laid help upon one that is mighty (Psalm 89:19). God has laid help upon us.

SUPERNATURAL MIGHT

- We are carrying mountains and sitting on them. This requires supernatural might. God will put us into positions of heavy responsibility and will in turn make us to sit on top of the mountain. The spirit of might rests upon us.

- We are carrying responsibilities in various sectors because of the spirit of might that has rested upon us, and they will be surprised how we are doing it with such ease.
- By this spirit of might, we are relocating the gates of our city. We are taking it up to the mount of the Lord, to Hebron and in that place, it is the gathering of the righteous that will decide things about that city.
- May the spirit of excellence and lifting power that attends to this mandate rest on us.

DIVINE TURNAROUND

- Somebody struggling financially is suddenly giving in millions.
- Somebody meant to drop out of school is now graduating with first class, as the best graduating student.
- Those that have been written off are now writing the history of the city.
- Those struggling are suddenly empowered to possess and rule in the midst of their enemies.
- It is a year of signs and wonders, lifting, settlement, forceful advancement, and supernatural favour.
