DOMINION CONVENTION PROPHECIES FROM PASTOR TARA AKINKUADE

DAY 3 SESSION 1

LIFTINGS AND DIVINE TURNAROUNDS

- God is touching us. The hand of God is resting upon us. It is the beginning of a new order of miracles. We are rising. Giants are rising. Our lives have been turned around. The hand of God is shifting us, we are moving from glory to glory, from height to height, from increase to increase, from honour to honour.
- "When the LORD turned again the captivity of Zion, we were like them that dream. Then was our mouth filled with laughter, and our tongue with singing, then said they among the heathen, The LORD hath done great things for them." (Psalm 126:1-2). God is doing great things with our lives. God is visiting us.
- God is lifting us and turning things for us.
- Chains are breaking!
- Some of the people we have admired the most, what it will take them ten years to do, we will do it inside one year! It is our year of favour!
- We have been shifted up!
- The power of God is lifting us up. While others are saying there is a casting down, we will be holding the hands of people and we will be going up, up.
- "Thou oh Lord art a shield for me, you are my glory and the lifter up of my head" (Psalm 3:3). God is lifting our heads! This year God is lifting our heads up! Everywhere we have once experienced shame, now we receive double honour!

MASSIVE WEALTH

- What God is about to do will far outweigh anything we have seen! God is setting cold hands on fire. Our hands have been placed into coals of fire and we have entered a new order of the miraculous and our hands will never lack again. It is massive wealth.
- The hands that we have been putting into our pocket and has been empty are now full. Our pockets are full. It is wealth!

- These are seasons of refreshing. Victory has come. Lack is over! That wretched spirit is out, wealth has come, life has come.
- The angel of the basket is running on our behalf.
- Our feet are swift to make wealth!
- The same grace of prosperity that the Lord has rested upon God's servant over this commission in the same frequency and magnitude, rests upon us!
- This year we will lose track of what is entering our accounts. Money is meeting money in our accounts. Just the same way it is happening to God's servant, it is happening to us. The same way things are coming to God's servant over this commission, things are coming to us.
- This year, we are dedicating houses. We have come to our tipping point, things are switching up for us, we are entering wealth that we have never seen or handled! We are flinging properties everywhere.

THE MIRACLE WORKING LOVE OF GOD

- His banner over us is love. Someone who has been starved of love, everything around them has been closing down on them, nothing seems to have been working- the embrace of God is upon them, and the love of God is communicated to their heart.
- The love of God is giving us many miracles. The cloud of darkness and the cloud of heaviness have been lifted. We will start recording miracles. Backwardness is turned to forwardness! Our lives are reading forward.

DIVINE SPEED AND OPEN DOORS

- The hand of God is resting on us pushing us forward and we are outrunning the chariots of the kings.
- A way is made for us where there seems to be none. It may seem like everywhere is blocked, but the door is opened. "God is in the midst of her, and he shall help her and that right early" (Psalm 46:5). What years of toiling could not put in our hands, this encounter of favour is putting it in our hands.
- Doors are opening unto us. International organizations are answering unto us.
- From January, our miracles are starting, it is forceful advancement, and we are hitting the ground running. We are running and outrunning the chariots of the king.

INFLUENCE AND AUTHORITY IN THE SYSTEMS OF THE WORLD

- God is raising us as authorities; we will speak, and authorities will bow to our voices!
- The authority we need for the projects at hand is entering into our hands!
- Many will start trying to ensure we do not talk because they will now notice that anytime we open this mouth, the whole system starts behaving erratic. This is how we will get money; this is how we will get investors.
- That small thing we have started, suddenly, people will come from abroad, Europe, Northern America and they will say, "We like what you are doing, we want you to consult for us, we want you to start training us, we want you to start speaking to us, we want you to start helping us."
- That thing that makes our voices tower over the system, that fire on God's servant that lifts men, that makes the sector respond to them, it has landed upon us.
- We are entering into the place of power; we are entering into the government. Our voices have become strong. The seven mountains of the earth are hearing our voices and they are responding to us.

SUPERNATURAL EASE, IMPARTATIONS AND INCREASE IN STATURE

- God's servant is not struggling, we are not permitted to struggle. Life is easy for God's servant; life is only permitted to be easy for us. He does big things easily; we do big things easily.
- We receive all the mantles that God has put upon God's servant!
- We are growing from inside. The giant in us is coming out! No more timidity!
- Our visage is changing, we are rising with the visage of a colossus. We are rising with the fame of legends.
- The spirit of smallness is shattered off our lives.
- We are filled with the wisdom of sages. We are making new civilizations. Doors are opened to us!

DIVINE PRESERVATION

- Every journey we make this year, not even a near miss accident! God's servant is seeing us next year.

NEXT LEVELS

- Some of us, next time we are reaching back, we are calling from Netherlands, Germany, UK, Russia, we are going to the ends of the earth and the earth is responding to us!
- Contractors - contracts will never be scarce in our hands. Ministers - people will not be scarce in our ministries. We will never lack money and help in our ministry.
- Everyone connected to this ministry- as God's servant is going up, we are coming up and we are enjoying this same grace upon him. The next meeting we will have will burst forth with crowd, and finances that we've never seen before. The last time we prayed for finances was the last time. Money is meeting money in our ministry. Our people are rising and going up!
- Businesses- new branches, multiple expansion, new businesses, new favour, new clients, new gadgets.
- We are in the corridors of power and life answers to us.
- Every marriage is unlocked, and every need met! Every door of job is opened. Every internship needed this year, delivered! Every placement delivered. All the packages we need for the year, enter into our hands.
