YEAR 2023 – OUR YEAR OF FORCEFUL ADVANCEMENT

The year 2023 is OUR YEAR OF FORCEFUL ADVANCEMENT. The Lord is extending His rulership and dominion to the families, communities, cities, sectors, and nations of the earth through His people. (Psalms 110:2, Revelation 5:9-10). Through the manifestation of rulership and dominion of the men that God has raised, the kingdom of God will be extended on this earth. (Psalms 110:2-3).

There shall be a revival of the word of God's blessing in the lives of God's people as it was in the beginning- that we should occupy, take charge, dominate, and replenish the earth. (Genesis 1:28, Psalms 115:16). It shall be a year of breaking forth, breaking out and breaking through for us. (2 Samuel 5:20).

We have been brought into our new seasons. Clouds of darkness shall be lifted off many, pierced and blasted by the light of God's Spirit. We are rising into our new seasons. We are rising into a new season of power, a new season of glory, a new season of wealth, a new season of authority. It shall be a new season of explosions in influence, in miracles, in signs and wonders, in nations, and in cities. God will explode us this year. (Jeremiah 30:19)

God is giving us abundance of corn and wine. It is a year of gathering for us. We are gathering resources like never before. Ravens are coming from the east. The man that executes His words from the far country. We are gathering like never before. (Isaiah 46:11)

God is breathing upon, brooding upon, and coming upon His children in power so that they can manifest His light to this generation (Acts 1:8, Matthew 5:14-16)

People shall flow from the church into the earth to establish heaven's policy plans and the people of the earth shall flow into the church. (Ephesians 1:20-23 MSSG, Isaiah 2:4, Isaiah 55:4-5)

God's people are rising in power and ruling in the midst of their enemies (Psalms 110). The lifting power of God shall be abundant this year, throwing many into the corridors of power and they will start shaking society from where they are and moving society in the direction of God's purposes (Psalms 113:7-8).

Culture will be changed, citizens raised, and cities built by the operations of the kingdom of God. God's people are the agents of change. We are raising people with hearts of lions, with fire in their eyes, with the visage of a colossus, with the fame of legends and with the wisdom of sages that will run and take over the systems of this world. We are building cities and new civilizations based on the word of God and this new civilization is swallowing up the old. (Matthew 5:13-16, Isaiah 58:12)

God is raising princes to spread the influence of His kingdom. God is raising Esthers and putting them in the palace, Nehemiahs and putting them next to kings, Josephs and making them prime ministers, Daniels and making them governors, Josephs of Arimathea that are fulfilling prophecies of the scriptures. An army of princes is arising to fulfill the prophecies in the bible that deal with the take over of the sectors and nations that must be fulfilled. (Joel 2:7-11, Zechariah 1:17)

Redemptive realities shall be fleshed out in the lives of God's people as we take our stand on Christ's finished works. Many shall walk in divine health, supernatural protection, victory over death, victory over sin and victory over poverty. (Isaiah 53:3-5, Psalms 91, Hebrews 2:14-15, Romans 6:14, 2 Corinthians 9:6-9, 1 John 5:4)

We will give ourselves to discipleship evangelism, to building the work of God and spreading the influence of His kingdom all over the nations of the earth. We will rise with massive prosperity and breakthroughs for the sake of the gospel.

Honour God, receive His prophet honourably and give yourself to spiritual growth and activities for your stability and push forward in the purposes of God for you this year.

Meditate on the words of prophecy spoken over your life (1Timothy 4:15, YLT). Stretch in prayers, fasting, giving, diligence and taking actions all through the year. Stretch out of your comfort zone to spread the influence of God's kingdom and you will enjoy the fruits of the year.

Happy New Year.

God bless you.

The Senior Pastor
