**HEART ENLARGEMENT SPECIALE 2024**

**DAY 1, SESSION 1 – PASTOR TARA AKINKUADE**

**PROPHECIES FROM FAITH TO CONQUER LIONS**

1. Faith will be jumping into our hearts
2. Kings are setting us over their businesses. Kings are setting us over their affairs.
3. The Bible says nothing shall be impossible to us. All impossibilities that have been staring us in the face shall be crushed by our hands.
4. It does not matter what is going on in our lives. When we get out of Heart Enlargement Speciale, we will be running at challenges. We will be running at situations. We will be running at circumstances. Doors will be opening to us serially and everywhere we turn to.
5. When we step out of Heart Enlargement Speciale, doing big things will become spinal to us.
6. Things are moving up for us. Situations are shifting for us.
7. We are coming out on our enemies the same way Benaiah faced the lion. We are facing situations that have looked impossible.
8. We are walking out on financial challenges.
9. “When the Lord turned again the captivity of Zion, we were like them that dream.” God is turning our captivity around. God is giving us terrible miracles. God is lifting our heads. We are running and we are not weary. We are taking lions and tearing them apart. We are eating afflictions like bread. There are nutrients inside every problem for us. We are breaking out on all sides. We are running, we are not weary. We are walking and we are not fainting. Things are working for us. Doors are opening up to us. We are breaking out on all sides.
10. Inside that sickness is a healing ministry. Inside that joblessness is a mighty human resource organisation. Inside that troublesome child is a children ministry. Books, TV shows, Mugs, cups, and Interview sessions. We are rising and conquering these things.
11. He says, "I will restore to you the years that the locusts have eaten, and the cankerworm, and the palmerworm, and the caterpillar.” God is restoring years to us. We are never disadvantaged. Things are working for us. Doors are opening up to us.
12. The exchange rate is not our problem. This year, we will still sow in tens of millions. This year, we will still sow in hundreds of millions.

13. Many of us have been face-to-face with lions in a pit on a snowy day. We have come for triumph. We are killing those lions. We are swallowing up those lions. The spirit of might is coming upon us.
14. “He teaches my hands to war, so that by my hands, a bow of steel is bent.” He says, “Then came upon Samson the Spirit of God mightily, and he took the lion and tore it like a kid.” The Spirit of God, the Spirit of prophecy has come upon us. We are tearing lions, tearing problems.
15. We are leaping over walls because God has made our feet like hinds' feet. God is causing us to ride upon our high places.
16. The fire of God has rested on our legs. We are skipping, jumping over walls, leaping over walls in this season. God has touched our legs. We are jumping, we are swallowing up problems. We are tearing challenges like we would a kid.
17. Clouds of discouragement that beset us are dispelled. Our strength has come.
18. The things that we have let go, that we have thrown away, now we are holding them again.
19. A mold inside us is breaking. That thing that has made us unable to speak and capture things is breaking. That thing that makes it look as though nothing is happening when we are talking, is breaking from within us. There is utterance. We are free from within. We are speaking. We are covering grounds. Our words are covering nations. Our words are covering territories. The strangers shall submit themselves unto us. The strangers shall be afraid and flee out of their close places.
20. People among us who have been threatened in their places of work, who have been told that they will not get any promotion will get the promotion. The promotion has entered their hands.
21. Land problems are resolved because “they got not the land in their own possession or by their own sword.”
22. The fire of utterance has rested on us. We are speaking, and we are swallowing things up. Someone who has a sick relative has received the utterance to swallow up that sickness. They are going back, laying hands, and taking that sick relative up from that bed.
23. Our time has come.
24. Our victory has come.
25. We have entered.
26. We have gained speed.
27. We have gained time. We think we have been pressed for time, but we have gained time.

28. There are sudden turnarounds, remarkable takeovers, amazing restorations.
29. There is a basket of restoration dropping into our hands. We are taking back our finances. We are taking back what Satan has stolen. We are taking back our health. There are jobs, promotion, advancement, and victory.
30. The angels of God have put an umbrella over our heads. We have been going through things, but God is saying, "my banner over you is love." That umbrella is covering us, shielding us. Whereas it was as though rain had been falling on us; the rain of life, the rain of circumstances was beating us hard. Now, literally, we are feeling that warm glow over our heads. Because from now, as we are stepping out of this place, everything has become warm for us. The climate of our life has changed.
31. The angels of God are dragging our legs into honey. Wealth has come to us.
32. Within one year, not one house, not two houses, we will drop three houses at the same time.
33. Whatever has risen against us in our city, whatever has risen against us in our workplace, whatever has risen against us in our jobs, those things are going down right now.
34. We are breaking out of generational strongholds.
35. Late marriage, delay is broken
36. The fiery crown of honour- God is putting us on thrones of honour, on thrones of promotion.
37. We are jumping over hurdles. That thing that they have said is impossible for us to climb over, now we are climbing over it. We are climbing over it with ease. Our soul is escaped as a bird out of the snare of the fowler. The snare is broken. We are escaped.
38. That spirit of smallness, that creeping creature that has been working on people's minds, is broken
39. The stars are aligned over our head. God has broken the head of the devil. We are running. We are outrunning the chariots of kings. Speed has come.
40. The spirit of seeing and knowing is upon us. Our eyes are burning. Penetrative insight has come to us. We are seeing. As we are seeing, we are entering into the system. We are getting our treasures. "I will give unto you the treasures of darkness, the hidden riches of secret places." We are running into the system. We are coming out with resources. We are running into the system, and we are knowing where our resources are.

41. Where we once said, “I don't have strategy.” God says “I will teach you and instruct you in the way in which you should go. I will guide you with my own hands.” The spirit of seeing and knowing has come upon us. We are seeing.
42. Helpers have come to us. Everywhere we turn to, we will see an army of helpers running to us.
43. People are looking at us and they are saying, “Take this land. Take this contract. Come and use this person. Let us introduce you to this person.” Our doors are open.
44. That petty trading is becoming a mall. That small food industry, a food shop is becoming a major cafeteria in the city. That home lesson is becoming a higher institution.
45. It is time to step out. Our time has come.
