HEART ENLARGEMENT SPECIALE 2024

DAY 1, SESSION 2 – PASTOR TARA AKINKUADE

PROPHECIES FROM FATTENED TO PROSPER

1. Our prosperity endures forever. The path of the just is as a shining light. It shines brighter and brighter. There is no better yesterday with us.
2. We must break into millions. We must break into tens of millions. We must break into hundreds of millions. We must break into billions.
3. This city will favor us. Our cities will cooperate with us.
4. It doesn't take God long to change lives. A little one shall become a thousand. A small one shall become a strong nation. The Lord will make it quick. He will hasten it in His own time.
5. From this Heart Enlargement Speciale, people are carrying the news of our businesses all over the nation. Our vibes are spreading to the ends of the nation.
6. The people that people are running after are coming to us. This year, not another year, we are sitting down on our thrones of honor. This year, we are building houses that we have not built. We are starting again on those businesses that we might have given up on.
7. We are breaking into those places that have been locked out to people, those places that have locked out against a generation.
8. We are entering into the systems and coming out with our resources. We are coming out with our treasures.
9. We are entering into those cities where nothing great happens in, and we are coming back with our sheaves. Ministry is flourishing in that place. Doors are opening in that place.
10. We are shaking places. God has given us the shoulders of places, the portion of lands. We are sharing the spoils of the land with the strong.
11. Our voices are ringing in the hearts of people. Nations who never knew us will come running to us.
12. We are building houses. We are starting world class schools. We are starting world class restaurants.
13. The angel of the basket is with us, bringing resources. Doors are open to us.
14. “Kings shall be your nursing fathers. Their queens your nursing mothers”. Kings will start locating us.

15. The wealth of the Gentiles is entering into our hands.
16. The angels of God are announcing our names.
17. We are taking control of the ship. We are directing it to where we want it to go. Our businesses are not going in the reverse direction.
18. In the place of silver, God is giving us gold. God is giving us double for all our troubles.
19. Our eyes are flashing fire. As we are appearing before people, our eyes are flashing fire. God is doing something for us with the encounters that we have had on the mountain of Heart Enlargement Speciale.
20. Men are rising to serve us. Men are rising to do us good
21. There are amazing restorations.
22. God is giving us dream-like miracles. Out of that little thing, something big is emerging.
23. The cities are answering to us. Doors are open to us.
24. This anointing upon God's Servant that brings greatness out of men has rested upon us.
25. We are outrunning the chariots of kings
26. God is giving us dominion over the nations that are beyond. We are appearing before kings.
27. "Out of your belly shall flow rivers of living waters." There are rivers of developments. Inventions are coming out of us. Places are developing under our watch.
28. The angels of God are dragging us into gates - Gates of wealth, gates of righteousness, gates of wealth. Our gates are not shut. Men are bringing unto us the wealth of the Gentiles. Men are bringing unto us the riches of the Gentiles. We are standing before great men.
29. There are explosions. We are becoming a thousand times bigger on the inside. Whereas there are things we had said we could not do before, now we are scaling through walls. "But by my God, I have run through a troop. By my God, I have leaped over walls." We are leaping over walls. We are running through troops. God has risen for us.
30. God is changing people's DNAs. There are switches.
31. Men are becoming a thousand times bigger. There are encounters. Realization is hitting us on our feet. Power has come upon us. There are explosions of almightiness. A little one shall become a thousand. A small one shall become a strong nation.
32. God has risen for us.

33. God is making our souls fat. Yokes are breaking. Strongholds are breaking. The strongholds of the mind, the strongholds of destiny are broken. The strangers shall be afraid and flee out of their closed places. That spirit of fear is broken. The spirit of smallness is broken.
34. Things have become clear around us. Our doors are open. There are no more limitations. Limitations are lifted. Barriers are broken. Restrictions are removed.
