**HEART ENLARGEMENT SPECIALE 2024**

**DAY 1 SESSION 3- REV. MOYO AKIN-OJO**

**PROPHECIES FROM THE HIGHWAY OF VICTORY**

1. God is increasing us more and more and He will show us greater things that we may marvel.
2. This is a destiny weekend for us. The earth will shake on our behalf. Heavens will shake on our behalf and the desire of the nation will come again. “That Prophet said, the Lord whom you seek will suddenly appear in his temple.” This is the weekend of suddenlies for us.
3. When the Prophet comes around, some of us that have been walking will start running. Some of us that have been running will start soaring.
4. We are moving from spectators of destiny to participants of destiny. We are moving from that place where we are telling stories to the place where other people are giving our stories as testimonies
5. Our testimonies will inspire a generation.
6. There are times that faith is in ignoring. We will not consider our bank balance before doing things.
7. Things are shifting for us.
8. This will be a Mahanaim for us. Like Jacob, we will get to double camp, where the realm of the spirit is kissing this natural realm.
9. There are businesses that will make us billions that are not yet around. God is giving us treasures of darkness, hidden riches of secret places.
10. There is something that makes a man to write a book. It will go far. It will be the best seller. They will say, “It just hit home.” If you write another one, it will go far. Every time you write, all the publishers will be looking for you.
11. There is wisdom that makes people take actions without physical resources. There is something that makes sounds to go to the ends of the earth. It is spiritual intelligence. That intelligence is dropping on us. That intelligence will make us produce results consistently. It will be in our hands. We will have a handle over systems. Everybody will know that heaven is helping us.
12. Miracles are happening. God is cleansing and flushing the systems of people. Everything that God has not planted is being cleansed.

13. A blood condition is healed by the power of God.
14. “There is knowledge that can be gained, that will make the forces of the earth support you. That it is when it is your turn that policy will turn. That it is when it is your time that everything will cease. That it is when it is your time that international politics will start changing to favor you.”
15. We are helped of God. When we are thrown into the fire, the fire will lose its power. When we are thrown into the sea, we will walk on water because the water will support us. When we are thrown into the world's flames, inside burning oil, burning oil will be like cold water to us.
16. Doors are no longer blocked to us. Forces of nations are no longer fighting against us. Policies are no longer fighting against us. The economy is no longer fighting against us. No more!
17. Honour is coming to our families again
18. The angels of God are bearing trumpets. God is shaking the system for our lifting. God is turning foundations, policies, systems to favour us.
19. The forces of the earth are favoring us. Everything that has been out of alignment, concerning us, enters alignment again. Limitations are lifted. Barriers are broken. Restrictions are removed.
20. God has given us speed.
21. God is putting in our hands, what it takes to rise above the system.
22. We are outrunning in the chariots of the kings.
23. God has granted us encounters of the God-kind
24. God is clothing us with garments of fire.
25. There are sudden turnarounds, remarkable takeovers, amazing restorations
26. Growths are disappearing and dematerializing. Growth on the bodies, fibroids, are disappearing. Miracle fire is burning them. “For, behold, the LORD will come with fire, and with his chariots like a whirlwind, to render his anger with fury, and his rebuke with flames of fire. For by fire and by the sword will the Lord plead with all flesh. And the slain of the Lord shall be many.”
27. Miracle fire is jumping on people, removing growths. Removing Fibroids. Removing keloids. Removing everything that has defied medical science in their bodies. Miracle fire is burning it to ashes. It is burning autism by the power of God.

28. There are amazing restorations. The years that the cankerworm, the palmerworm and the caterpillar has eaten, whether it is in resources, in health, in academics, in relationships. There are amazing restorations. What was lost has been found. God is restoring the relationships, scholarships, monies that were lost.
