HEART ENLARGEMENT SPECIALE 2024
DAY 2, SESSION 3 – REV. MOYO AKIN-OJO
PROPHECIES FROM THE POWER OF AN EXALTED HORN

1. "For thou wilt light my candle, The Lord my God will enlighten my darkness." Stars are rising from obscurity. Stars that were covered are rising.
2. "For whereas you have been hated and forsaken, so that no man went through you. I will make you an eternal excellency, the joy of many generations."
3. Stars are rising, they are shining. Saviours are rising from Mount Zion, and there is no stopping them.
4. We are rising from obscurity.
5. Everything holding people from shining is broken.
6. God is lighting our candle. It is shining to cities, it is shining to nations. The nations are coming to our light. Kings are coming to the brightness of our rising.
7. Strong utterance shall proceed from us Calming the storms in clans In communities In cities and countries, bringing glory to the name of Christ. The spirit of prophecy is jumping on people. The shout of the King in our midst.
8. Strong utterance! We will prophesy over our families, over our cities.
9. Fire, like a sword, is going out from the mouth of people. Out of the mouth of babes and suckling, God has ordained strength.
10. God is increasing us with men, in multitude like a flock.
11. God is bringing speed into our lives. We are outrunning the chariots of the kings. Others may have gone before us but we are outrunning them. People may have mocked, derided and made jest of us. But now, we are outrunning the chariots of the king.
12. God is cutting short the time of harvest. What we were waiting for in four months, the tree is shaking, harvest has come. Our baskets are full. Our barns are full. Our vats are overflowing with new wine.
13. Light to the nations. Light has shone!
14. The healing power of God has rested on us. As we lay hands on the sick, blind eyes will open, deaf ears will open, cancers will fry, the crippled will walk, lepers will be cleansed, the dead shall be raised.

15. God is changing our fortunes. There is a new alignment in the spirit by the power of God's mercy.
16. God is breaking enchantments. Chains are broken over people, over families. There are no enchantments.
17. We will be green season to season. Of our increase, there will be no end. We will not have a better yesterday. Our horn shall be exalted with honour.
18. There are people that have been obscure. There are people that have been in the back. And they say they have adjusted with the trend in their lives. God is bringing them from the back seat to the front.
19. God is exalting our horn like the horn of a unicorn. The people that forgot us will start remembering us. Those that looked around and did not see us at the horizon will see our star shining bright.
20. God has given strength to us. He has delivered us from the strong enemy, and from those that hated us.
21. Wherefore we had stepped into terrible places, places of darkness, and places which were not physically or spiritually safe, but we have come out unscathed.
22. God is establishing our goings. That business that was moving on one leg is placed firmly in the city.
23. We are renewing strength. By our God we are running through a troop. By our God we are leaping over a wall.
24. We are unquenchable. Consortiums of darkness, consortiums of wickedness, altars of evil, generational altars, which were risen against us are hacked down for our sake.
25. The spirit of death, the spirit of affliction that has held people bound is set on fire.
26. Our names are canceled from lists of people ordained to death, the hand writings of ordinances against us are removed.
27. The spirit of death has been judged. The power of death is broken. We will not die, but live and declare the works of God.
28. Death is swallowed up in victory. Every affliction of darkness is burnt by miracle fire.
29. Molestations in the dream are ended.
30. Cycles of defeat that arise when we are near the time of our joy is broken now.

31. God is carrying us from that radius of envy, putting us far, where even those that hated us will be sharing our testimonies.
32. A little one is becoming a thousand. A small one, a great nation. We will come back next year and say, God has made us, literally, not figuratively, literally, a thousand times more.
33. Strength has come. By this impartation, ability has come.
34. There are people who are operating alone now. By this time next year, they will have fifty staff, ten branches. They will open up a branch in Asia, in Europe, in the Americas. Because God is giving strength.
35. New anointings have come upon us, new graces.
36. God is putting the solution to the problems of our generation upon us. He is putting the key to our generation in our hand.

38. Our voice will be heard in our cities. We will be populating newspapers this year. The stories that newspapers will be carrying - Punch, Business Day, Secular newspapers – will be our testimonies. They will be meeting us to find out about our life, how we are doing it. (Instruction: When it comes, be bold. Make sure you call upon the name of the Lord. We tell them about Jesus).
39. This fresh anointing will scale our ministry. 3 people will turn to 30. 30 will turn to 300. Before the end of the year, 300 will turn to 3,000. They will ask you "what are you doing?" You will say, 'I don't know. It is the same thing I have been teaching".
40. **For The Standing Church:** Our season of announcement has come It's already happening.
41. Vibes are going out about us. Rumours are going out about us.
42. They will call us and after they have given us the contract, then they will ask and say, 'I think you have done this for federal government before." You will say, 'No we didn't write that. We have never done anything like that. We don't have any resume like that.' It is vibes! Whispering spirits are announcing our name.
43. There are some of us now that are saying 'no customers.' Get ready! 'Enlarge the place of your tent. Lengthen your cords, Strengthen your stakes because you are breaking out on the left, and on the right, and your seed is dispossessing the Gentiles.

54. Every field, every grass in the field, shall be watered by heaven.
55. The selective goodness of men is falling upon us. Space is made for us in tight places.
56. Ancient doors are open unto us into exclusive circles.
57. God is clothing us with a mantle of favor, a coat of many colours.
58. We are entering into a season of opportunities, Minute by minute. Minute by minute. There is a flood of opportunities. God's grace is resting upon us to take advantage of opportunities, to bring in the harvest, to jump upon the tides as they come. Grace for new seasons of opportunities is resting upon us.
59. God's hand will cause us to outrun the chariots of the king.
60. Ephphatha! Doors of sectors are open. Gates of cities are open. Portals of nations are open. Floodgates of heaven are open. Doors of resources are open. Doors of scholarships are open. Doors of opportunities are open. Doors of towns and cities are open.
61. "I will make him my first-born, higher than the kings of the earth." There are promotions. God is setting us above sectors and cities. God is setting us as governors, as senators, as House of Rep Members. God is putting a crown of honor and a scepter of authority in our hands.

67. There are healings, and miracles.
68. The next time the Prophet sees us, we will be a thousand times more than this.
