YEAR 2025 - OUR YEAR OF RULERSHIP AND ESCALATED FAVOUR (Psalm 110:1-3, Acts 7:10)

The year 2025 is our Year of **RULERSHIP AND ESCALATED FAVOUR**. It shall be a year of dominion. There shall be a rise of God's army, and they shall run through the city and break into the systems with God's power. They shall walk in unity, each man honouring his place and calling, and nothing shall be able to hurt them. The systems will tremble before them. They will conquer lands, and none shall escape them. They will reap the wealth of lands. There shall be mighty executions of God's word for them because God utters His words before them, and He is great that executes His word. They will rise powered by the breath of God from the four winds and walk through the land an exceeding great army ruling in the midst of God's enemies (Ezekiel 37:1-14, Joel 2:2-11, Psalm 110:1-3).

It shall be a year of God's move. There shall be mighty moves of God this year as many men shall rise as catalysts of transformation, repairers of breaches, and restorers of paths to dwell in. Thus shall families, communities, sectors, and cities be harvested and the culture of the kingdom planted in their midst. (Isaiah 58:12; Ezekiel 1:4-5,10)

It shall be a year of impact and influence. The influence of the church shall be spread beyond the four walls of the church, and God Himself shall be the defence of the church, and His glory shall be heavily manifested in our midst. The wisdom of the church will flow into the world and the wealth of the world into the church and many in the world will be turned to the Lord and His ways (Zechariah 2:4-5, Isaiah 2:2-4).

It shall be a year of taking over. The kingdom of the sectors, cities, and nations shall be the Lord's as God's people shall rise as saviours on Mount Zion to judge the mountains of the nations (Obadiah 1:21)

It shall be a year of great risings and prosperity. Ancient mantles are opening mighty doors of rulership and favour unto our people. Mighty men will rise - men of great substance and wealth shall be abundant in our midst (Acts 7:10, Psalm 105:21, 1 Kings 3:12-13).

Death and sickness shall be humiliated as God's people shall triumph by His power and eternal life (1 Corinthians 15:56-57, 1 John 5:11-12).

Seek God's Kingdom first this year; Push beyond comfort and survival for the take-over of the earth (Matthew 6:33); Pour yourself into spirituals and seek to excel in it - Emphasize God's power (1Corinthians 14:12); Be established in and skilful with righteousness (Hebrews 5:12-14); Push with the gospel and the testimony of its transformation (Matthew 28:18-20, Psalm 105:1-2)

THE STANDING CHURCH

It shall indeed be a year of glory! A year of taking territories! A year of swallowing up places! A year of men rising as gospel institutions! A year where men shall take the kingdoms of this world and submit them to the Lordship of Jesus!
